American Dental Plan (ADP) – Limited Edition

The **American Dental Plan – Limited Edition** is a proprietary discount plan for patients with no dental insurance or for those who do not qualify for 3rd party financing. The plan is designed for parents who want a **2nd opinion** or for **emergency visits**. Patients pay a **fee of $99 per child for the visit** and the patient receives a **35% discount** for any treatment recommended by the dentist. The benefits may be used at any of our office locations and are valid for **six (6) months** from the day the patient(s) registers for the plan.

The fee under this plan includes an evaluation by the dentist (D0140) and any needed radiographs (D0272, D0220, D0230, D0330). The discount benefit can be applied towards any treatment recommended by the dentist and includes sealants, fillings, stainless steel crowns, nerve treatments (pulpotomy/pulpectomy), extractions, space maintainers, and nitrous oxide ("laughing gas"). Items **excluded** from the *American Dental Plan – Limited Edition* are hospital/sedation fees and dental work that is referred to another specialist—for example, another pediatric dentist, oral surgeon, endodontist, general dentist, or orthodontist.

Special considerations: This plan may not be combined with benefits from an existing insurance policy and the fee may not be applied towards out-of-pocket fees of a new dental insurance policy. Once services are rendered, the fee is non-refundable.
